

TREO GIRDLE

The all elastic corset

It Is Essential To a Smart Appearance

THE pretty costumes you will wear this summer demand a Treo Girdle. You will find that the Treo gives your figure the youthful, supple lines and the graceful poise that make the present styles so charmingly becoming. This is why style creators and fashionable modistes all recommend the Treo—they know it shows their creations to best advantage.

Be sure you get the genuine Treo Girdle—because it has two indispensable patented features not possessed by any other girdle—and without which, no girdle can give the wonderful results accomplished by the Treo.

Only the Treo Girdle has the "Feature Strip" of elastic at the top which holds in the diaphragm and supports the small of the back, two very important functions that a corset should exercise for physical reasons, as well as for style. In addition, the Treo has the "Anchor Band" of elastic at the waist which prevents the girdle from slipping up or sliding down. Don't forget these exclusive features that distinguish the Treo from conventional models.

Remember, the Treo Girdle is made ENTIRELY of surgical elastic web. It gives freely to every movement of the body, yet firmly holds the figure and prevents it from spreading. It makes the Treo equally desirable for street, dancing, evening or sport wear.

But go to your dealer—examine the Treo. A style for every type of figure. Select one for your type of figure and try it on. You'll be surprised at how it improves your figure—how it suits you to the new dress styles.

Prices \$3.50 to \$15.00. If your dealer doesn't sell the Treo—write us for illustrated booklet.
